

ISSN : 1545-5963

Linking ISSN (ISSN-L): 1545-5963

Key-title: IEEE/ACM transactions on computational biology and bioinformatics (Print)

Title proper: IEEE/ACM transactions on computational biology and bioinformatics.

Other variant title: Computational biology and bioinformatics

Other variant title: Transactions on computational biology and bioinformatics

Other variant title: IEEE/ACM TCBB

Running title: IEEE transactions on computational biology and bioinformatics

Country: United States

Medium: Print

Last modification date: 06/02/2021

Type of record: Confirmed

ISSN Center responsible of the record: ISSN National Centre for the USA
